

# Coins of the World: Austria

Whether you're trying to determine the year of a worn heller from late 19th century Austria, identify the image on the reverse side of a copper 5 groschen, or determine whether or not the coin you have is post-World War II decimal coinage or not, this digital download is the place to look for the answers. In the 2012 Coins of Austria electronic download you'll find detailed descriptions, current values for multiple condition grades, and actual-size illustrations for everything from coins of the Austro-Hungarian Empire to reform coinage from all corners of the country.
