

A huge amount of legal information is contained within this compact and orderly book. All legal terms are easy-to-find and up-to-date, and the book includes definitions, pronunciation, and easily understood explanations. Structured into short, easily digested chapters, Legal Terminology presents the fundamentals of the principal areas of the law, including: terms used in criminal law, tort law, contract law, personal property and agency law, practice and procedure law, will and estate law, trust law, family law, law of negotiable instruments, and business organization law. An excellent reference work for lawyers, legal secretaries, paralegals, legal assistants, and court personnel.
