

## Travel Superbook #9 Book 7. Scandinavia Travel Guide

The Scandinavian countries are cold for part of the year. The people are versatile. I met a Vietnamese man who became a Norwegian citizen. I saw a system of underground pipes in a big market square which melt all snow immediately that hits it so in the middle of winter, there is no snow or ice in the outdoor town square. Go in the summer if you can. There's a scenic road in Norway called the Peer Gynt Road, named after composer Henrik Ibsen's famous character, that starts in Gausdal, central Norway. The Lofoten Islands are a group of islands inhabited by fishermen 123 miles north of the Arctic Circle. You can take a ferry there. Try #914.81 at the library. Iceland is an island in the North Atlantic Ocean. Formed from volcanoes, it has many hot springs.
