

Munich with Map (For Less Compact Guides)

Each title in the For Less Compact Guide series gives travelers information on the must-see sites at popular North American and European destinations and contains coupons that entitle visitors to big discounts at top attractions and museums in each city. These discounts-usually 50% off or 2-for-1 deals-ensure that each book can pay for itself in one day. A fold-out map, which includes a vicinity map, a detailed street index and subway map, and links to the 100 pinpoint maps in each guide, makes getting around easy. Written by experts on each city, these guides provide up-to-date information about attractions, history, museums, restaurants, nightlife, shops, annual events, and tourist activities. Each guide gives travelers all the information they need for a short visit, plus the chance to save a lot of money while they are there.
