

## Negative Burn: Winter 2005

Perhaps the most eccentric anthology in the history of comics, Negative Burn is an anomaly, merging together genres, pushing boundaries and allowing the top comic book talent in the world the opportunity to experiment with unique stories. Never to follow a course, each volume of Negative Burn presents the biggest stars in the industry today while continuing to showcase the next wave of new talent. Some of the stories featured are: Milk and Cheese by Evan Dorkin, Mr. Glum by Erik Larsen, Sketchbook by Vince Locke, Hawaiian Dick by B. Clay Moore and Shawn Crystal. Plus work by noted creators Brian Bolland, Bob Burden, Kurt Busiek, Amanda Conner, Steve Lieber, Jim Mahfood, Ron Marz, Fabian Nicieza, and more!
