

The kidnapping and murder of Charles Lindbergh Jr. and the subsequent arrest, trial, and execution of Bruno Richard Hauptmann have intrigued true crime buffs for decades. New Jerseys Lindbergh Kidnapping and Trial tells the story of the case that never dies through vintage photographs. Rare photographs, many not seen since the 1930s, will allow the reader to experience the massive police investigation led by New Jersey State Police superintendent H. Norman Schwarzkopf and the circus-like trial and execution of Bruno Richard Hauptmann.
