

Time Out Amsterdam (Time Out Guides)

Europe's most infamous city remains one of its most popular, and not without good reason: between its world-class art museums, its eminently wanderable canals and its coffee shops that don't exactly specialize in coffee, its variety is glorious indeed. However, with one of Europe's more forward-thinking cultural scenes and striking new architectural developments in IJburg and the Bijlmermeer, there's much more here to enjoy than the clichés; written, researched and edited entirely by locals, the Time Out Amsterdam guide will tell travelers all about it. Highlights: Amsterdam after dark: the best restaurants, bars and nightclubs in the city, but also the ones to avoid; Mini-guides to the city's most notable works of art, and where to find them; An unmatched section on the city's modern-day cultural scene: galleries and performance art, classical music and theater; An in-depth look at the city's stunning new urban architecture; Trips Beyond Amsterdam, to the flower auction in Aalsmeer, the cheese market at Gouda and the windmills of Alblasserdam, and also to the fizzing modern city of Rotterdam.
