For a limited time only, Create Doodles will be offered at \$4.97- a 25% discount Doodlers have been given a bad reputation for their absentmindedness. After all, its hard to fathom how sketching on a napkin, the edge of a table or on ones hand can in any way, shape or form be productive. Well, some may say that the productivity is in the explosion of creativity that one sees once a doodle is complete or even in the incompleteness but true originality of other doodles. However, this isnt all there is to doodling. Though with this book, youll begin to learn how to release your imagination and create doodles that are worth keeping and perhaps unique and witty enough to claim their own frame and spot on your living room wall, theres a lot more to doodling than the eye can see. Whats Inside the Book? Inside youll find many creative doodles for hours of fun expression and designs to create unique drawings. Doodling is an art form and one that can lead to master pieces. We offer step by step instructions on how to draw zen doodles. Welcome to Tons of Zen Doodles Welcome and take a peek inside.
